

## IH21 - Lincat Electric Counter-top Induction Hob - 2 Zones - W 350 mm - 3.0 kW

Embrace the power and energy saving capabilities of the 3kW Lincat Twin Zone Induction Hob.

- ✓ Twin cooking zones for high output. Highly responsive and controllable cooking method.
- ✓ High power - delivers almost twice the cooking power of a similarly rated gas hob, whilst saving energy
- ✓ Boost function delivers power when it's most needed
- ✓ Portable, plug-in device - easy to move around the kitchen and ideal for event catering. Functional and attractive profile is perfect for front of house theatre-style cooking
- ✓ Pan detection function cuts power when no pan is present, cutting running costs and creating a safer, more comfortable working environment.
- ✓ Automatic heat up function switches to a preset power level after full power heat up
- ✓ 6mm thick high impact resistant ceramic glass ceramic surface will withstand hard knocks and is easy to clean
- ✓ Easy to use rotary controls complete with LED display of power level. Easy to change filter, built into the base of the unit. Powerful internal cooling fan and overheat protection for long service life
